

ORTHOPAEDIC ASSOCIATES OF ST. AUGUSTINE, PA.

Orthopaedic Associates of St. Augustine has announced the addition of Dr. Casey McClone to its sports medicine team. Dr. McClone completed his fellowship training in Northeast Florida, at the Mayo Clinic in Jacksonville, in Primary Care Sports Medicine.

Primary care sports medicine is the prevention, diagnosis, and treatment of non-operative sports-related injuries. Sports medicine specialists emphasize prevention and rehabilitation in addition to acute treatment.

Dr. McClone received his medical degree from Ross University School of Medicine in the West Indies, where he graduated with highest honors. He holds two Board Certifications with the American Board of Family Medicine - one in Family Medicine and the other in Sports Medicine.

Dr. McClone has a special interest and extensive training in treating musculoskeletal pain for patients of all ages with ultrasound guided injections. Among other associations, he is a member of the American Academy of Family Physicians, the American Medical Society for Sports Medicine and the Florida Academy of Family Physicians.

Orthopaedic Associates of St. Augustine has two locations. Their main facility, including an After Hours Injury Clinic and Outpatient Surgery Center, at One Orthopaedic Place in St. Augustine and the County Road 210 Sports Medicine and Physical Therapy Center at 3055 CR-210 West, Suite 110 in St. Johns.
