

ORTHOPAEDIC ASSOCIATES OF ST. AUGUSTINE, PA.

May 14, 2008

James M. Grimes, MD with Orthopaedic Associates of St. Augustine was recently selected by the Consumers' Research Council of America to be included in the 2008 Edition of the *"Guide to America's Top Orthopedists"*. He was selected based on his education, years in practice and affiliations with professional associations. Dr. Grimes is the current Chief of Surgery at Flagler Hospital and specializes in sports medicine and joint surgery. He is a member of an international team of surgeons for development and training in state of the art advanced computer assisted joint surgery.
