

ORTHOPAEDIC ASSOCIATES OF ST. AUGUSTINE, PA.

February 4, 2009

Orthopaedic Associates of St. Augustine is pleased to announce that Chief Operating Officer, Thomas M. Pulzone, CPA, CMPE, has earned the professional designation of Certified Medical Practice Executive (CMPE) from the American College of Medical Practice Executives (ACMPE).

The designation of CMPE demonstrates that Mr. Pulzone has achieved board certification in medical practice management. ACMPE certifies an individual's professional competence when he passes rigorous essay and objective examinations that assess knowledge of the broad scope of medical practice management skills sets. These include financial management, human resources management, planning and marketing, information management, risk management, governance and organizational dynamics, business and clinical operations and professional responsibility.

Mr. Pulzone has been with Orthopaedic Associates for almost three years, the area's leading provider of orthopaedic and sports medicine care and rehabilitation. In that time he has brought both structure and leadership to the organization. Consequently, Orthopaedic Associates of St. Augustine was recently recognized by the community as "Best Of" in three categories: Best Orthopaedist, Best Podiatrist and Best Physical Therapist.
