HOSPITAL AFFILIATIONS

Flagler Hospital - St. Augustine
 Baptist Medical Center - Baptist South
 Outpatient Surgery Center of St. Augustine

JAMES GRIMES, MD

Dr. Grimes is a graduate of The University of California in San Diego and Northeastern Ohio University College of Medicine. Dr. Grimes holds two Board Certifications with the American Board of Orthopaedic Surgery - one in Orthopaedic Surgery, the other in Sports Medicine. He was the first

Orthopaedist in St. Johns County selected for the Academy of Arthroscopy of North America and brought Computer Navigation of Joint Surgery to Flagler Hospital. Dr. Grimes cares for professional, collegiate and high school athletes as well as specializes in sports medicine and reconstruction of the shoulder, hip and knee.

BRIAN HAYCOOK, MD

Dr. Haycook is a graduate of the University of Florida and the University of Miami School of Medicine. He completed his Spine Fellowship at Methodist Hospital in Indianapolis, Indiana. Dr. Haycook is Board Certified by the American Board of Orthopaedic Surgery. He has specific expertise and training

in the latest treatment of scoliosis, spinal deformities and spine related injuries. Dr. Haycook is proud to be one of the only orthopaedic physicians in the area offering minimally invasive spine fusion surgery to his patients.

ALBERT VOLK, MD

Dr. Volk is a graduate of the Johns Hopkins University and a medical school graduate of the Indiana University School of Medicine. He is fellowship trained in sports medicine, shoulder and knee arthroscopy. Dr. Volk holds two Board Certifications with the American Board of Orthopaedic

Surgery - one in Orthopaedic Surgery, the other in Sports Medicine. Dr. Volk has a particular interest in treating conditions of the shoulder specializing in all-arthroscopic rotator cuff repair of the shoulder which results in less pain and faster recovery. He is also the past Chief Medical Advisor for the Professional Women's Tennis Association and has extensive experience in treating professional, collegiate and high school athletes.

JOHN STARK, MD

Dr. Stark is a highly accomplished hand and microvascular surgeon who completed his fellowship at Duke University following Medical School at Georgetown University. He is Board Certified by the American Board of Orthopaedic Surgery. Dr. Stark specializes in treating hand, wrist and elbow trauma, athletic

injuries, and other problematic conditions in the hand and arm. He has a special interest and extensive surgical experience treating arthritis in the hand. Dr. Stark has expertise with carpal tunnel syndrome, including new minimally invasive endoscopic techniques.

KURTIS HORT, MD

Dr. Hort is a graduate of the Temple University School of Medicine. He completed a fellowship in lower extremity reconstruction and complex foot and ankle surgery at the Mayo Clinic. Dr. Hort is a Diplomate of the American Board of Orthopaedic Surgery and a member of the American Orthopaedic Foot

and Ankle Society. He has lectured extensively both in the United States and abroad. Dr. Hort specializes in arthroscopic and reconstructive procedures of the knee, foot and ankle.

SINA KASRAEIAN, MD

Dr. Kasraeian is an honors graduate of the University of Florida. He completed his medical training, including his residency in Orthopaedic Surgery, at the University of Southern California Keck School of Medicine. Dr. Kasraeian received his fellowship training in Orthopaedic Sports

Medicine at the Southern California Orthopedic Institute and has a special interest and extensive training in arthroscopy and sports medicine reconstructive procedures. He is a member of the Arthroscopy Association of North America, the American Orthopaedic Society for Sports Medicine and an associate member of the American College of Surgeons.

BETH PEARCE, DPM

Dr. Pearce is an honors graduate of the Ohio College of Podiatric Medicine and is Board Certified by the American Board of Podiatric Orthopaedics and Primary Podiatric Medicine. Dr. Pearce specializes in minimally invasive, corrective foot surgery and diabetic foot/lower extremity wound care. She has a

special expertise in the non-surgical resolution of foot and ankle pain. Three times governor appointed to the State of Florida Board of Podiatric Medicine, Dr. Pearce has been in practice for nearly 25 years. She has been voted one of the "Best of St. Augustine" for 13 consecutive years.
